1 DON'T GO CHANGING 1:25

You want some summer jams - some forest fire haze

Delayed and canceled planes - some flash flooding waves

Over the lower plains - lawnmowers going craze

With all the weather patterns weaving quilts in to a cage

Daily it's all the rage - same forecast - never change

It could be heat all week - then winter wants a peek

Layer up - naw waitaminnit - just a sheet to sleep

And so it never ends - we're not the planet's friends

Takin' it's ball back - birthday invite - all that

We - are never gonna

Get - this world on track to

Let - the future kids exist

Without being at risk

Of dying in this mess -

So let's just - give it up right now

Give it up right now - becuz we all know how

It's the easy way - we'll die anyway

Don't go changing - just to please me

You never - let me down - before

We - are never gonna

Get - this world on track to

Let - the future kids exist

Without being at risk

Of dying in this mess -

So let's just - give it up right now

2 GHOST SHIP 3:42

We're on a ghost ship - the place that those lived

Eons before us - under the floor just

Get diggin' - begin pullin up the wreckage

Gotta go deeper - way past up to your neck it's

The core you gotta score and toss all the bosses

The captain's that happened ocean floor nappin'

Gaps in the path been opened the hatch is

Battened no longer - treasure's been squandered

Wandered right into oncoming traffic

Space faring vessels - intergalactic

Interns on that trip - cabin boy's get lives

Fancy lad lessons - havin' toys pets ride

Front seat for free - a maximum three

Bag up your turds and vacuum your pee

It's history - in the making - they call it

A discovery of how deep your wallet

Fell out your pocket in El Segundo
Soon there will be no more borders to run fo'

What a world - waterworld - wanna hurl - into this cup

So many X's on the map left to fix up

Kick butt and conquer - room's we could romper

List 'em in a mirror - insist another beer

Will ensure a shout out from people at the rear

Of the ride on the waves that nobody saves

You're gonna have to dive for that rainy day pay

They gave me a May Day - but it's too far a - way

To even make an effort - consolation F word

Plus the home game tossed on your blown brain

The zone alone slain - pictured with no frame

In a 30 minute limit give it up and go lay

Down in your basket before you get ass kicked

I got measures - and all of 'em drastic

blocSonic

maxBloc

Ask not what I can do for you
Locked up in the trunk of a Subaru
Got Scooby-Doo and the Mystery Contraction
To check all the facts I've packed in this rap when
It's all said and done - just one in the same
I pay taxes so I use every lane

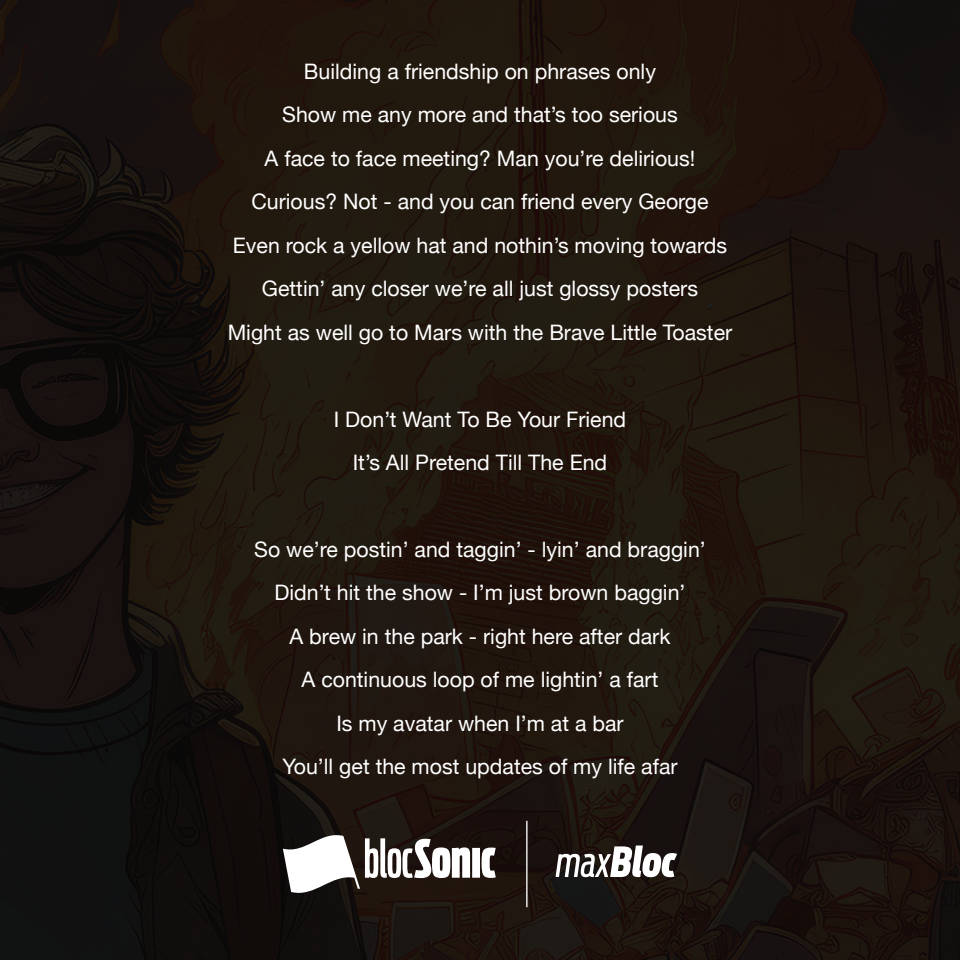

3 **PRETEND TILL THE END** 3:07

We're not even pressin' buttons - just smudging a screen
Looking for attention - we just wanna be seen
By anybody anywhere - anytime - I don't care
Hopin' there's a comment - lovin' it or vomit
Tonic for ail's it seems prevails
Somebody digitizing wind in your sails
Likes and emoji's - snarky baloney
Is now all it takes to make some fake homies
The stakes is be lonely - and they'll never phone me

blocSonic

maxBloc

Building a friendship on phrases only
Show me any more and that's too serious
A face to face meeting? Man you're delirious!
Curious? Not - and you can friend every George
Even rock a yellow hat and nothin's moving towards
Gettin' any closer we're all just glossy posters
Might as well go to Mars with the Brave Little Toaster

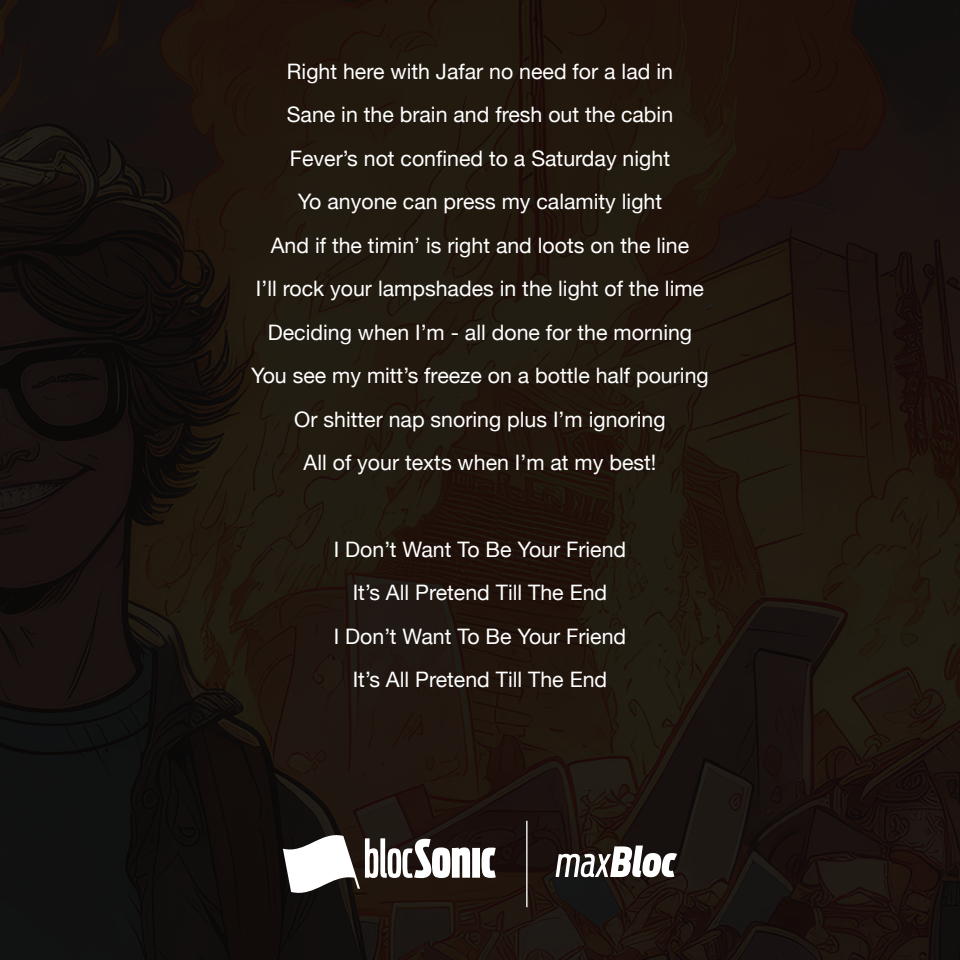

I Don't Want To Be Your Friend
It's All Pretend Till The End

So we're postin' and taggin' - lyin' and braggin'
Didn't hit the show - I'm just brown baggin'
A brew in the park - right here after dark
A continuous loop of me lightin' a fart
Is my avatar when I'm at a bar
You'll get the most updates of my life afar

blocSonic

maxBloc

Right here with Jafar no need for a lad in
Sane in the brain and fresh out the cabin
Fever's not confined to a Saturday night
Yo anyone can press my calamity light
And if the timin' is right and loots on the line
I'll rock your lampshades in the light of the lime
Deciding when I'm - all done for the morning
You see my mitt's freeze on a bottle half pouring
Or shitter nap snoring plus I'm ignoring
All of your texts when I'm at my best!

I Don't Want To Be Your Friend

It's All Pretend Till The End

I Don't Want To Be Your Friend

It's All Pretend Till The End

4 WRAP IT UP 3:12

Heard you're gonna do a rap show - that's a mistake

Every fucking thing about ya is totally fake

And it's not that I care but somehow you're involved

We're on the same bill - that's a problem to solve

So why don't ya stay home and start collecting stamps

Or everywhere you go will need wheelchair ramps

And I've done it before, so you're biting my steez

Coleco controller to move it with ease

But yo back to you and your nonsense crew

You're half a shooter - I'm two kegs of brew

The knee high wee guy wanna be bad dude

You'll be turning green when I get mad rude

Dog plus the Sanders - my anchor's away

Clothesline bitches off the stage when I play

Even had glass bottles smash off of my head

The only thing you need to know how to play - is dead

blocSonic

maxBloc

Wrap it up - I've had enough - of your fucking - shit show
Pack it up - pack it in - a house in pain not entertained
Any stuff - not gathered up - will go in the dumpster
Hurry up - move your butt - never come back here again

My serving suggestion has toast and no juice
Once I shut down a show with a mic to go loose
Turned up at my crib escaped from the skid
Row scenario - scary where'd he go
Larry there he go - right out the fucking window
Day drinking stinking up a corner of my crib fo'
Longer than a linger - here's a middle finger
Made into a keychain - return it to sender
Ending of a bender seen on the horizon
3am drive-thru pukin' up some fries and
Delerium tremens after just six minutes
Of the roadside assistance just been finished

blocSonic

maxBloc

Tins diminished now only worth dimes
If we only had raps we rock some rhymes
Right now in this state - feelin' great
And oh yeah that wack crew is off in a crate

Wrap it up - I've had enough - of your fucking - shit show
Pack it up - pack it in - a house in pain not entertained
Any stuff - not gathered up - will go in the dumpster
Hurry up - move your butt - never come back here again

Wrap it up - I've had enough - of your fucking - shit show
Pack it up - pack it in - a house in pain not entertained
Any stuff - not gathered up - will go in the dumpster
Hurry up - move your butt - never come back here again
