**1st verse**

Aye, I got it, hello my nose knotted  
hello my flow's solid they're making my foes vomit  
This top of the line topic  
Punching the line comic  
Y'all punching the line sonic  
I'm out of this world COMET  
SpicSpeare smash bonnets  
Never matter what the time is  
Headsnack this shit is marvelous  
These haters in the comments  
We gonna be right here on top of this  
Rapping around the compasses  
The sundials, the watches, the hourglass, challenge us  
Shit I'm in town just wrote a verse down  
(Creating rhythmic sound)  
Fuck the bricks, don't plan on stopping now  
(POW POW)  
Yeah, Headsnack, Headsnack

Let's smoke up this stack and finish up another track

**2nd verse**

Double the time no trouble to rhyme  
my age reveals no number in mind  
but like 29, 59, 79, or 89 I'm prime  
like Optimus I'm shocking the megalopolis  
I'm dropping hits on the populous  
I'm cropping this to the proper size  
I rock it like I Herbie Hancock it back and pop it,  
like coitus with the introitus, captain's rapping from the cockpit  
Around the clock spit, I'm the greatest showman  
I'll sucker punch the POTUS and serve the SCOTUS with my scrotum  
They want us hopeless under mass psychosis  
focused on their hocus-pocus,  
It rubs the lotions on our skin or else we get the hoses  
again, this is your moment of Zen  
Time waits for no man, time to deprogram  
The nomad grabbing his gonads like Roseanne  
& you can't stand me up like Roxanne Roxanne,  
My game plan is posse symbiosis,  
Mixed cultures like yogurt  
Mouths foaming like a pack of rabid Dobermans

### 3rd verse

Life can feel like an impossible inestimable test,  
Wanna beat em at their best? Beat your chest? Be my guest,  
To jest is the best way to lessen the stress,  
When you invest in the breath and divest from the mess,  
So spare me the lecture, your wild conjecture,  
The truth is the fruit and the knowledge is the nectar,  
Still I be like Neberkenezer riding a leopard,  
Visiting a shepherd cleansing lepers,  
I'm the lemon pepper, I'm the juice that's dripping off the zester,  
I'm not feeling pressure I don't pantomime my gestures,  
Think of my voice not as sound but texture  
To be studied next semester,  
Where the illest cuts are what comprise the syllabus,  
Songs of innocence and also of experience,  
Reflecting these times when our ignorance seems infinite,  
Don't be indifferent to suffering, it's limitless,  
Compassion is the key, rap around the clock with me.....
