

THA SILENT PARTNER **CAPSULE TWO:**

PLATES FOR NUJABES
(ANOTHER PLATTERS INTERMISSION)

The history of this tape is so all over the place so in 2024, this is how I remember it.

Around late 2006/2007 I got into Nujabes and Samurai Champloo. I got a rip of metaphorical music and modal soul off some forum... or maybe Lloyd gave it to me (remember him?). Samurai Champloo was the only reason I joined Netflix at that time.

Ended up making this in fall of 2007 based off that experience for a collaboration that fell thru. Winter of 2009, I think I had an opportunity to send material to his label for something, but I got cold feet and did not submit.

In February of 2010, he left us. RIP. Procrastination is a bitch.

After all that I just kept it in the vaults. I've had multiple instances to just release it but backed out because I didn't know if people would get my dedication misconstrued... it's happened before. IYKYK.

This is the masters of the last version from those sessions that I would have sent in. Procrastination... fuck you, beeyatch.
