

**BLKJK**  
NEW WORLD

# NEW WORLD

*This is the 2nd Album release in 5 years for BLKJK formerly known as BlakJak.*

*From the first album armed with scattershot 808's, laser canon synths, subterranean bass bombs and word grenades BlakJak set out to leave a world that forsaken its people.*

*BLKJK is the rebirth of BlakJak's journey and this new album tells a story on the life and observations of a the new world that BLKJK experienced in the last 5 years to current time.*

*From technology, social media and it's impact on the children of the world, BLKJK takes you on a journey fused with electronica, hip-hop, psych guitar, dirty blues, soundscape and post apocalyptic visions of a world searching for reason and calling upon God and humanity for answers of Peace/Love and enlightenment.*

*All songs written, produced & performed by BLKJK*

*All songs mixed by BLKJK*

*All songs mastered by landr.com*

*Cover art by Kosta Lucas*

*Design by Mike Gregoire for TDX — DefExperience.com*
