

# CHEESE N POT-C MULDOONSDAY DEVICE

**DISC 1:**  
*MULDOONSDAY DEVICE*

## **1 MULDOONSDAY DEVICE INTRO 1:08**

Beats: Cheese • Jibber Jabber: Pot-C

**Cheese Sez:** For the intro we are once again in the capable hands of Mr. Cal Tjader, from his 1964 Breeze from the East album, the whole planet needs some exposure to Cal in some form or another, and if you're reading this, hopefully I've fulfilled my purpose.

**Pot-C Sez:** Cheese cut out the instructional part of really personalizing this albulation, so what you gotta do is put this track into a multitrack program or just play it out loud into a recording device and then say your name at the cue. Then delete the intro track and replace it with your new personalized intro track. Get a friend to say your name or make a funny voice if hearing your own voice cheapens this awesome opportunity to be a part of the album. Some have also recommended using Siri or Alexa or even the Google translate voice.

## **2 TO THE BEAT 2:26**

Beats, Rhymes & Scratches: Cheese • Rhymes: Pot-C

**Cheese Sez:** To Tha Beat, came about due to picking up a recycle shop 100yen gold mine, Yoshida Minako, who would now be thrown in the City Pop column, was actually a funkateer in her own right, I recommend it like the blue plate special at K-Mart, really tho!

**Pot-C Sez:** My rap is from day five of Timezone LaFontaine's 100 Rap Pyramid

Challenge, which I did from January 14th to April 22nd this year. I even got it done through a week in the hospital for hernia surgery! There's a few more that show up on the album, cuz hey, why waste 100 raps! You can check em all out here - <http://zeopolis.jp/100/>

### 3 **XPONENTIAL CUTS (MILT MIX) 3:02**

Beats & Scratches: Cheese

**Cheese Sez:** This track was first done with super duper track maker Mr.Moods, it was never officially released just available on soundcloud in its original incarnation, I took the scratch acapella and applied to a Milt Jackson sample based composition that was intended to be rapped on but didn't make the roster, the original Milt Jackson track and the whole album it's from is bonkers-check it out!

**Pot-C Sez:** I have nothing to do with this track except for making it louder and making it the third track of the album! Also, I listened to it and the one on soundcloud after I found the link while typing out these words on December 4th, 2020 at my house. So I guess maybe I did way more than nothing! Here's that link - <https://soundcloud.com/cheesem/mr-moods-presentsexponential-scratchin-wcheese>

#### 4 **DO IT (FEATURING HIGHOUT AND J.J.) 3:34**

Beats, Rhymes & Scratches: Cheese • Rhymes: Highout •  
Rhymes & Kazoo Solo: Pot-C • Intro / Outro: J.J.

**Cheese Sez:** And again here we are with Cal Tjader, this dude needs to be heard, stop listening to this cnp album and go search out Cal's catalog! Highout once again gettin' down makin the sound fresh!

**Pot-C Sez:** Yeah, but can Cal Tjader play the kazoo? Also, this rap was written fresh for this track along with a couple others that materialized this year. A lot of em go back to last year or even further. You'll know when you read about em if you continue to read all this important information. Like the next track for example. And of course props to Highout for coming through with the rhymes on this one and the Mega Bloc Party!

#### 5 **NO BONES (FEATURING DONNIE OZONE) 3:17**

Beats, Rhymes & Scratches: Cheese • Rhymes: Donnie Ozone • Rhymes: Pot-C

**Cheese Sez:** No Bones consists of pieces from a Yamane Mai joint titled Tasogare, another member of Japan's 70's jazz fusion underground to which the well seems bottomless for dopeness. Donnie Ozone bringin' tha goods as usual!

**Pot-C Sez:** This track and bunch of other ones should have been on an album with our track "Down To The Wire" which came out on New Year's Eve last year. We got Donnie Ozone to get on another track with us and another posse

cut for having to wait so long for this song to get finished and released!

**6 WE BE CRUBBIN' (FEATURING OWTRIPLEBANG) 4:08**

Beats, Rhymes & Scratches: Cheese •

Rhymes, Vocals & Guitar: OWTRIPLEBANG • Rhymes: Pot-C

**Cheese Sez:** We Be Crubbin' was composed using fragments of Goro, a 70's solo pop singer, and at that time pop meant funky ass dope shit, Goro has been at the wheel for quite a few cnp soundscapes, and teamed up with OW!!! on the mic and guitar slickness, it's baffling to understand what else a person could want or need.

**Pot-C Sez:** Part of this rap is from a collab with a dude on acidplanet that I can't even find on my computer or stacks of cd-rs anymore. And since acidplanet is toast, I guess it doesn't matter. It happened between 2010 - 2013, maybe? Anyways, "Beep Boop Fizz Twee Honk!" from the Freak Brothers is the funniest hook ever! Mad props to OW!!! for coming through with the vocals, rap and guitar on this one. Also, if you can't hear it, I was fighting off a cold on this one and a bunch of other tracks on this albulation, which activates my Tone Loc powers!

## 7 **SUPER SHOW (FEATURING YUK MC AND STANLEY) 3:51**

Beats, Rhymes & Scratches: Cheese • Rhymes: Yuk MC • Rhymes: Pot-C • Intros: Stanley

**Cheese Sez:** Super Show aka Stormy is a medley of the best instrumental sections of the OC Smith song of the same name. Don't sleep on OC, that dude has boat loads of classic tunes. This track is a Krazy Shitz outfit operation, which also includes Yuk's son Stanley doing intros thru out the track. Thank you Stanley!

**Pot-C Sez:** The Krazy Shitz return again! Maybe we'll do another Krazy Shitz albulation - it's been 22 years since the last one! The Tone Loc continues!

## 8 **DON'T TURN AROUND (FEATURING THA R) 3:02**

Beats, Rhymes & Scratches: Cheese • Guitar: Tha R • Rhymes: Pot-C

**Cheese Sez:** Don't Turn Around, aka Akiko Gold, was paper mache'd with strands of an Akiko Wada soul joint from '77, she's more known as tv personality in Japan, but she obviously knows how to party! On this we also have our own bar super star guitar Tha R from the PUCK Crew come thru the axe action.

**Pot-C Sez:** Well, even if we don't have a new P.U.C.K. album coming out this year - we do have the three awesome 45's here on blocSonic and Tha R on guitar for this new C-N-P disasterpiece! My rap is also from the 100 Rap Challenge - day eleven as it sez in the song.

**9 HERE WE GO (FEATURING CM AKA CREATIVE) 3:00**

Beats, Rhymes & Scratches: Cheese • Rhymes: CM aka Creative • Rhymes: Pot-C

**Cheese Sez:** Ahmad Jamal, if ya don't know, find out! CM aka Creative, if ya don't know, then double find out!

**Pot-C Sez:** Props to CM for doing the mic pass with us and dropping on the posse cut as well as hitting us with a dope remix for "No Bones". This track is a new addition to the albulation, so the rhymes are fresh. Go look up MCJ & Cool G on the interwebs to see what the So Listen breakdown is all about.

**10 HOW YOU DOIN'? (FEATURING 34PRO) 4:09**

Beats, Rhymes & Scratches: Cheese • Rhymes: 34Pro • Rhymes: Pot-C

**Cheese Sez:** How You Doin' contains elements of of living legend Mr.Herbie Hancock crossed up with the magnificent Wes Montgomery along with the Helicopter Guy (That's all we got) on the horns for the hooks. 34Pro always with the knowledge, wouldn't be a cnp without him.

**Pot-C Sez:** Another 100 Rap Challenge rap on this one - day six. Props to 34Pro for always coming through with the rhymes.

**11 GIMME A DRINK 3:29**

Beats, Rhymes, Vocals & Scratches: Cheese • Rhymes & Vocals: Pot-C

**Cheese Sez:** Gimme a Drink starts off with shards of Hiroshi Suzuki's Romance track which should be heard in its original form. The track evidently

turns into the theme from Family Ties with a Weird Al'd twist on the lyrics and to further the existence of 80's opening themes we go on to incorporate a karaoke version of Gimme a Break, Nell Carter actually sang the themes for all seasons, just thought you should know, as I have a platform to do so.

**Pot-C Sez:** Family Ties and Gimme A Break! - what more do you want?! - The Joker on a Scooby Doo episode guest spot? - Humpty Hump? Unfrozen Caveman Lawyer?

## **12 ILLOGICAL SONG (FEATURING DONNIE OZONE) 3:59**

Beats, Rhymes & Scratches: Cheese • Rhymes: Donnie Ozone • Rhymes & Beer Bottle: Pot-C

**Cheese Sez:** The Illogical Song kicks off with a clip of Roy's Food Repair, during a discussion between John Candy and Paul Simon in regards to getting an estimate on how much it would cost to have the salt in a bag of pretzels that had become dislodged reattached by hand. Joe Sample assists with the soundscape, on the real check out anything by The Crusaders. Donnie Ozone again joinin' forces and making the ordinary extraordinary.

**Pot-C Sez:** I've had this rap written and song title kicking around since 2013 at least. I think it was gonna be on Balder & Fatter or Homemade Raps. Anyways, this rap and the one for Mastaz Of Suspense were somehow on Cheese's computer and he said we had to do em. So we did and Donnie Ozone came through as well. This guy's rock solid with the guest raps and he even does the intro to my FM radio show - The OG3 Underground Hip-Hop Show - on Osumi FM over here in Japan.

### 13 **MASTAZ OF SUSPENSE**

**(FEATURING OWTRIPLEBANG) 3:57**

Beats, Rhymes & Scratches: Cheese •

Rhymes & Vocals: OWTRIPLEBANG • Rhymes & Vocals: Pot-C

**Cheese Sez:** Masters of Suspense calls Goro back into the game on the sample source. OW!!! also returning to make this track something worth hearing.

**Pot-C Sez:** Like Illogical Song, this one was a candidate for one of my solos. The OG version has me and Cheese trading up the hook, but OW!!! took hold of it and gave us another dope verse!

### 14 **KRAZY SHITZ IS COMING (FEATURING YUK MC) 3:42**

Beats & Rhymes: Yuk MC • Rhymes & Scratches: Cheese • Rhymes: Pot-C

**Cheese Sez:** Yuk MC aka Calabash the track maker machine. Peep the greatest hits!

**Pot-C Sez:** Yuk MC comes with complete package for me and Cheese to fill in the blanks. Props to Yuk for the Super Show joint raps as well!

**15 MEGA BLOC PARTY (FEATURING HIGHOUT,  
DJ DEF CHAD, C-DOC, 34PRO, TRUCK T, OCHO,  
CM AKA CREATIVE AND DONNIE OZONE) 9:05**

Beats, Rhymes & Scratches: Cheese • Rhymes: Highout • Rhymes: DJ Def Chad •  
Rhymes: C-Doc • Rhymes: 34Pro • Rhymes: Truck T • Rhymes: Ocho • Rhymes: CM aka Creative •  
Rhymes: Donnie Ozone • Rhymes: Pot-C

**Cheese Sez:** Mega Bloc Party is basically comprised of a bunch of tracks that were unfinished and got sewn together to make what you're hearing. Mega Bloc props to everyone who came thru. Peace and respect.

**Pot-C Sez:** Props to all the emcee's that came through for this epic joint! And welcome to DJ Def Chad and Truck T for getting on our posse cut train. Looking forward to hearing you on the next one!

**16 SPEECHLESS 3:23**

Beats: Biggathomas • Rhymes: Cheese

**Cheese Sez:** Speechless was put together by our go to for remixes and everything dope, Biggathomas. The rhyme was actually recorded in 2019, as anyone who's listening will catch. The track is in dedication to Gerald Thomas and Evan Thomas, brothers that transitioned way too early and also paying dues to the crew from Scowlitz, the place where I was given the name cheese. And while I'm here I want send out peace and love to Gerald Charlie ( Black Owl Blues), Diane Charlie, Charlene Thomas and the rest of the family.

**Pot-C Sez:** I'm speechless. Well, I gotta thank Biggathomas for the beat and the three awesome remixes - especially the hefty task of remixing the Mega Bloc Party!

## **17 HOP DRINKS 3:10**

Beats, Vocals & Scratches: Cheese • Rhymes & Vocals: Pot-C

**Cheese Sez:** Hop Drinks was inspired by a 1990's Wendy's staff training video called Hot Drinks, that was written and performed by Marvin Hawkins. The original was super catchy and has been covered by members of the youtube Wendy's training video following. Pot-C and I decided to Weird 'Al' it into Hop Drinks, the track eventually morphs into Ride like the Wind, like it should.

**Pot-C Sez:** Cheese has time on his hands. We need to do the Grill Skills cover next. Go look up that - it's ridiculous! I think it was in the comments of one of those training vids that they really should be playing those songs in the Wendy's restaurants, not just on some shitty teevee in the staff locker room or wherever the staff have to put their jackets.

## **18 SHOWT OWTS 3:26**

Beats, Showt Owts: Cheese • Showt Owts: Pot-C • The Puzzler: J.J.

**Cheese Sez:** Listen to the track for the shout outs!

**Pot-C Sez:** This is the part where we try to thank as many people as possible. We probably forgot someone.

**DISC 2:**  
*REMIXES*

**1 TO THA BEAT (MILKY MIX) 2:34**

Remix Beat: Biggathomas • Rhymes & Scratches: Cheese • Rhymes: Pot-C

**2 NO BONES (GRAVEYARD MIX)

Remix Beat: C da 76er aka CM aka Cretive •

Rhymes & Scratches: Cheese • Rhymes: Donnie Ozone • Rhymes: Pot-C

**3 HOW YA DOIN'? (MINUS MIX) (FEATURING 34PRO) 5:02**

**4 MEGA BLOC PARTY (BIGGATHOMAS REMIX)  
(FEATURING HIGHOUT, DJ DEF CHAD, C-DOC, 34PRO,  
TRUCK T, OCHO, CM AKA CREATIVE AND DONNIE OZONE) 9:11**

Remix Beat: Biggathomas • Rhymes: Cheese • Rhymes: Highout •

Rhymes: DJ Def Chad • Rhymes: C-Doc • Rhymes: 34Pro • Rhymes: Truck T •

Rhymes: Ocho • Rhymes: CM aka Creative • Rhymes: Donnie Ozone • Rhymes: Pot-C

**5 SHOWT OWTS (SEVILLE MIX) 2:30**

Beats, Showt Owts: Cheese • Showt Owts: Pot-C • The Puzzler: J.J.

**Pot-C Sez:** Of course we would remix our own outro / shout out track! Double props for everybody!

## SHOUT OUTS

First off, not only on the intro track can you personalize this album, but as well here in the thanks and showt owt's section. Stevie Wonder I believe was the first to do this for Songs in the Key of Life, the album came with book for all the album info and credits, and in the thank yous, Stevie left an underlined blank space for the owner of the record to write their name and include themselves in the thank yous. Well, here ya go, a special showt owt goes to XXXXXXXXXX.
