

ALEX FRANKLIN
CHEST PAINS

The [redacted] Board and Administration has completed the evaluation regarding the social media incident that began on 07 January 2022 and Alex's return to normal attendance. After further review, we have concluded that Alex will not be able to return to [redacted] in person or in any video teleconference model.

However, in order to facilitate a smooth transition to a new educational model, Alex will be permitted to complete the current school year under the current plan, should he so desire, where he continues to receive the work assignments and return them to the appropriate faculty member. Once the year is complete, Alex will need to make alternative plans for the following academic year.

We truly and sincerely regret that this decision is not the one for which any of us had hoped. It is our prayer that God will give you wisdom and direction through this difficult time.

Sincerely,

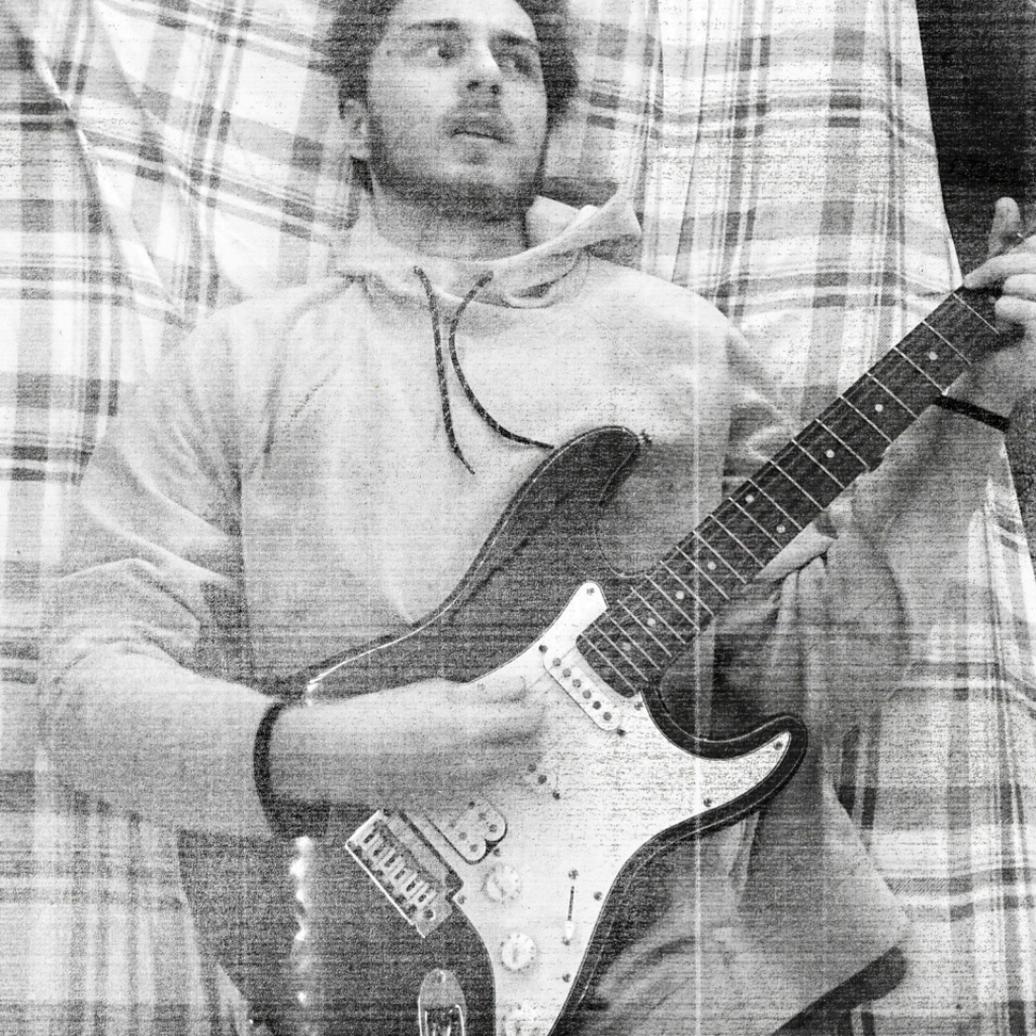

Songs written, recorded, mixed, & produced by
