

THA SILENT PARTNER

CAPSULEONE:
feelings of '14

"For the all the times I gave up hope. For the time people broke my heart... the lies... broken promises. For all the time I thought shit was going my way just to crumble in disappointment. For all the times you did for "them" but left me in silence. I'll never forget."

I couldn't bring myself to write liner notes. The stories behind this release still upset me. But I still play it from time to time and vent to myself. This version is different from the one I play.
