1 ZEOPOLIS (FEATURING CHEESE N POT-C) 3:23

Intro

In just a few moments, we will be arriving at our destination Zeopolis.

Please grab your bags and all personal items and prepare to disembark.

Verse 1

We're gonna take you to a place called Zeopolis.
It's a futuristic city megalopolis.
We'll zoom around town in our flying cars,
on automatic pilot free-styling bars.

There's live space jazz over at the cantina,
The Modal Nodes with Ponda Baba.
We'll have fun until the midnight sun
and try not to get blasted by a laser gun.
Because space cowboys are always starting trouble.
They won't think twice to burst your bubble.
I'm George Jetson not Barney Rubble,
so we'll depart (like) on the double.
But mostly we live in harmony
from all four corners of the galaxy
inside this mega cosmopolis.
It's the city in the sky, Zeopolis!

Pot-C

It's the city where your dreams come true
Here's your paperbag and a tube of glue
Put em together take huff or two
It's so easy to just float on through
We sing it's praises - no stopping us
Drivin this double decker octopus
Spittin the rhymes that are recockulous
Have a happy fun time in Zeopolis

Donnie

It's me N D O Z on a shopping spree
Like Toys R Us kids with a grand to get lids
Flipped right open in a cyberpunk scenario
I'm lookin like Gru and Donnie's Doctor Nefario
Mario - Luigi on these towers with our squeegees
Kittens with jetpacks - hope you don't forget that
It was all just a dream back in 1987
A robot in a vacuum warpin through the heavens
Take it to eleven then make it a production
Played my Fat Boys cassettes in the back of Teddy Ruxpin
Snack on any lunch been left out unattended
Like a Space Invader on SnackPacks descended
With no one on the joystick out to make the boys sick
Tired and hungry - why don't you go fund me
So I can get on top of this sprawling metropolis
The only superheroes watching over Zeopolis
