## 1 **IT'S ONLY ME** (FEATURING DUCKETT) 2:18

Microphone check um microphone check it

This is how it sounds when I'm spinning on a record

This is how it sounds when I'm up for getting down

The record spins around as the needle presses down

Keep a steady flow cause the currents don't stop

Like Logan Whitehurst, I Want To Rock

Rhyme every day when I'm walking down the block

When it comes to rhymes, I have a whole lot

When it comes to raps, I have a whole stack  
Record at home right on the four-track  
Turn up compression, turn up the levels  
Turn up the bass boom, turn up the treble  
Play the drum machine like a one-man band  
I make my own tracks, footprints in the sand  
Now you could try to stop me, but you're too shoddy  
Everyone can hear my voice echo down the block; see  
All of my neighbors' beady eyes all around me  
Right here in Brooklyn, in the place where you found me  
Watch the brain sparks from the top of the mind  
In sync with the beat cause I'm always on time  
There's no pressure, there's no stress  
I always look great, but I always pay less  
Every day, I swear that I am blessed  
So I've gotta give thanks like it's money in the bank  
I do it for fun; I'm not looking for checks  
Don't walk around with gold around my neck  
Always walk around with a pair of headphones

As I listen to the bass boom, it will move me on  
Keep me feeling happy in a habitat that's shabby  
If you see me walking, then you can call me Shaggy  
Gotta lotta hair cause I let it grow wild  
Been rocking freestyles since I was a child  
Underneath the street lamp, middle of the night  
Went to the club, but I only saw a fight  
Went back home, grabbed the pen and the paper  
Cooked up some rhymes - caught a whiff of The Vapors  
Ever since then, I've been catching the beat  
And it sounds so sweet; yeah, it sounds so unique  
It's the sound of the street, so I have to take a leap  
Into the future that I see inside my heart, It's Only Me
