We're gonna get the fancy stuff
Are you feeling fancy?

Donnie Ozone, Cheese, Pot-C Refrain:

Background music for a barbecue
We make background music for a barbecue
We make background music for a barbecue
Microphone check, one two, one two

Cheese Verse 1:

Double B Q-another code word for drink
What can am I on-yo, it's more than ya think
While peeps is after hot eats, I'm in search of cool treats
In a six pack ring as I swing to these beats
DOZ constructed, conducted in a manner to erupt ya day planner
For fuller houses than Tanner's, just search for the banner
Reading Bar B Q-as we keep the flows hot as your party crew
Whether BGM or you be cuttin' a rug
I'll be picnic table chillin' holding something' to chug
Plug the mic to the PA, so Murdock and B.A.
Along wit tha Faceman, can make your yard space jam
Pack your plates n' best Royal Chinette

Donnie Ozone Verse 2:

The grill master sports a gold grill while he's grilling up steaks
Fresh out the box like sealed vinyl still in the crates
He's grillin' and chillin' while were filling our plates
I think I'm in the mood to make the illest mistake
Look, I just came here for this beautiful feast
Then I laid my eyes on this beautiful beast
White crop top, jean shorts, paired with a scarf
Black plastic glasses like she's into the arts

Has a sense of humor and she's actually smart
So I drove us home in my Dodge Dart, right after dark
Back to the future, that was my favorite part

Donnie Ozone, Cheese, Pot-C Refrain:

Background music for a barbecue
We make background music for a barbecue
We make background music for a barbecue
Microphone check, one two, one two

We make background music for a barbecue
We make background music for a barbecue
We make background music for a barbecue
Microphone check, one two, one two

Pot-C Verse 3:

3-4-5-6 and spit another rhyme
It's the zilla in your backyard grillin' out a line
I'm on the press got all the four corners
You got Dave Thomas channeled through Mr. Warner
Orders are up here's a triple patty fatty
Hand me some buns and a contract to grab these
Condiments and squeeze till they're hurtin'
Bustin' mustard ketchup'd the curtains

Certain skills required on grills
Pop a chill pill plus pissed to all gills
Bubble up the cheddar dogs split on the char
Relishin' the relish like it's caviar
No plan B our mission to accomplish
Is the theme music to a feast in your complex
Beach party, camp site, backyard, or front stoop
Barbecued beats are the treats that we done scooped

Donnie Ozone, Cheese, Pot-C Refrain:

Background music for a barbecue
We make background music for a barbecue
We make background music for a barbecue
Microphone check, one two, one two

We make background music for a barbecue
We make background music for a barbecue
We make background music for a barbecue
Microphone check, one two, one two
